Council Letter No.

March 29, 2018

Honorable Mayor and  
Members of the City Council  
City of Warrensburg, Missouri

Dear Mayor and Council Members:

SUBJECT: A Resolution to adopt the Johnson County Hazard Mitigation Plan

**BACKGROUND:**

This document is updated every five years and submitted to the Federal Emergency Management Agency (FEMA). All entities in Johnson County provide input to the contractor which in turn submits it to FEMA. The contractor is Pioneer Trails Regional Planning Commission. Normally this document is completed earlier but due to changes in their office, it has come to a short deadline. The document needs to be filed by April 1, 2018.

**STRATEGIC PLAN:**

This action falls under Focus III of the Strategic Plan.

**FISCAL IMPACT:**

By using the Hazard Mitigation Plan, we are qualified to receive reimbursements from FEMA. In the past we have received reimbursements for flooding, snowstorms, and hail.

**ECONOMIC BENEFITS/IMPACT:**

We can receive reimbursements for disasters and mitigation efforts after the disaster.

**RECOMMENDATION:**

Staff recommends approval of the resolution.

Sincerely,

Jim Kushner, Fire Chief
