Minutes of the March 7, 2019 were approved.

Task Force presentation to the City Council was approved. Presentation will be given at the April 22, 2019 City Council meeting.

Report on the Advancing Renewables In The Midwest Conference was presented by Phil Miller and Bob Watts. Discussion included information gathered from side meeting with Drew Robinson, KCPL Renewables Manager.

Mr. Robinson informed attendees that a large scale generating project was not feasible at this time.

KCPL renewable energy focus is wind generation.

Mr. Stewart asked if his request for a wind study for our area was discussed and Phil Miller informed the group the study was not discussed.

Ken Nugent provided an overview of Whiteman AFB's efforts to conserve energy.

Meeting concluded with a discussion of next steps.

Consensus is to continue to explore the possibility of a large scale generating project.

The possibility of retaining a consultant to assist with the process was discussed. No decision was reached on the need for an RFP to secure these services.

The next meeting is scheduled for May 2, 2019 at 9:30 am.

The meeting was adjourned at 10:30 am.
