Why are you interested in serving on a Board for the City of Warrensburg?	I am currently serving as President of the WCVB and would like to continue to serve in order to provide consistency as we move forward with the implementation of the Master Plan. Serving on the Board when a new President is chosen would allow for a smoother transition and continue the momentum we have experienced during the past couple of years. I also strongly believe it is beneficial to have a member of UCM on the board especial one that is connected and aware of the events held on campus.
What is your knowledge of the advisory Board/Commission you're applying for?	I have served on the WCVB for several years, but this past couple years Marcy and the board have amazed me in all we accomplished. We developed a master plan, passed the additional lodging tax, established new marketing goals, began putting many of those into action, moved location of our WCVB office, etc.
List any experience or skills you have that qualify you for this position.	Director of Meeting and Conference Services at the University of Central Missouri. I have been with the office for 16 plus years. Our office coordinates all events held on campus including Camps and Conferences. We work closely with every external organization that rents UCM space. Many of these clients are visitors to our community. I completed a previous term with the board as well.

Why are you interested in serving on a Board for the City of Warrensburg?	I love helping to build the city of Warrensburg, it's a great city, and I think it can be even better.
What is your knowledge of the advisory Board/Commission you're applying for?	I've been on the board, I manage the Comfort Inn, so I am directly connected to helping to fund tourism through the lodging tax that we collect. I love working to help grow tourism, and as a hotelier, I see the need to work hard to help the city grow their tourism.
List any experience or skills you have that qualify you for this position.	I qualify because I know the hotel business and what draws people to Warrensburg, I know the areas we need to work on, and I know the strengths that we have in place already. The Comfort Inn has been in the top 3% of all Choice Hotels for the last 10 years and we have been the #1 ranked Comfort Inn for the last three years, so I do know how to work with people, and my motto is if you are going to do something, why not do it the best that you can?
