

RETHINK MAGUIRE VISIONING WORKSHOP

Thursday, November 2, 2023, from 5:00 pm through 7:00 pm

Warrensburg Parks and Recreation Community Center

445 E. Gay Street

Warrensburg Missouri 64093

All citizens and interested parties are welcome to attend the Rethink Maguire Visioning Workshop.

The workshop is an opportunity to solicit public comment and feedback on the community's vision for the Maguire Street corridor with renderings available for viewing.

Background: Rethink Maguire (formerly known as the Maguire Street Corridor Project), is the City of Warrensburg's process to transform the Maguire Street corridor which connects U.S. 50 to the University of Central Missouri and the larger community. Rethink Maguire is engaging city residents, businesses and stakeholders in crafting a vision for the improvements needed to upgrade this corridor to improve the quality of life and enhance safety for residents and visitors through modern, resilient infrastructure.

The project corridor includes Maguire Street from Cooper Boulevard north of the U.S. 50 interchange to Broad Street in Warrensburg, Missouri. The Maguire Street corridor is the highest-volume thoroughfare in the city with nearly 18,000 trips per day.
