

## MINUTES OF MEETING

### Energy and Sustainability Task Force

March 5, 2019

The meeting was called to order by Chairman Phill Miller at 9:30 am.

Attendees were:

Phill Miller- Voting Member/Chairman

Bob Watts – Voting Member

Mike Fox – Voting Member

Lyle Kreisel – Voting Member

Casey Lund – City Council Representative

Joseph Hackney – City of Warrensburg Representative

Minutes of the January 3, 2019 meeting were approved.

The agenda was approved.

The annual Task Force presentation to the city council was discussed. The presentation will occur in the month of April to closely coincide with Earth Day celebrations. This years presentation will include a review of initiatives the Task Force is involved with. Also, a recommendation will be made to set an energy use base line to prompt discussion of goals to reduce carbon intensity.

The presentation will encourage the use of energy efficient/electric vehicles by the city where appropriate.

The presentation will encourage the city to discuss methods/strategies to move energy saving, renewable, and sustainability ideas forward.

Phill Miller will finalize the presentation and coordinate changes with member via e-mail.

The meeting adjourned at 10:30 am.
