4. Requests and Petitions Presented

4.1 Cayhill, Lots 195 Thru 219 Final Plat
Larson Avenue

Carroll stated Baldrich LLC, represented by Darin Baldwin and Mike Rich, had submitted the final plat for the sixth phase of the Cayhill subdivision along Larson Avenue, north of Veterans Road in the northeast section of the City. This phase creates 25 lots that the developer intends to develop for single family homes and one duplex. A portion of the land is in a GB General Business district and the applicant is submitting a request to rezone that land to R1 and R1. Carroll stated since the staff report was written, the City and the applicant had further discussed the status of the existing emergency access road on the plat and the intent now is to build the whole street from Larson to Highway HH as a City street. Staff will require all of the right of way for Lake View Way to be included in the boundary of the plat. Darrin Baldwin appeared as the applicant and stated he was in agreement with that. Board member Scott Holmberg joined the meeting at this point. There was a general discussion about the future of the Highway 13 transportation network in the area including Highway HH and leaving room in the design of the Cayhill subdivision for it to extend further north in the future and the general.

Staff recommended approval with a list of conditions. Kohl moved to approve with the conditions in the staff report including amending #8 to show the full right-of-way of Lake View Lane extending from Larson Avenue to Highway HH. Jackson seconded. Approved 7-0 on a roll call vote.

1. Reverse all easement labels that read "U.E. & S.D." to "S.D. & U.E." See labels on lots 195, 196, 197, 201, 207, 208, 209, 210, 214, 218.
2. On Lot 196, correct the easement label to say "S.D. & U.E" not "U.E. & U.E." and change from a 38' easement to a 15' easement on the south side of the lot.

4. Correct the building line on Lot 196 to be 30' not 38'.

Add a Note in the same section as Note 10 so it is part of the City's approval that states the sidewalk along Larson Ave. on Tract D is required to be built as part of this plat of Cayhill, Lots 105-219. The sidewalk is required to be completed along Tract D to connect Cayhill Phase 1 with Cayhill Phase 6.
