

Warrensburg Parks and Recreation – COVID-19 Return-to-Play Guidelines

All Sports Preparing to Play:

- All athletes and spectators should have no flu-like symptoms within the previous 72 hours including:
 - Temperature of 100.4 degrees or greater
 - Shortness of breath
 - Chills
 - Sore throat
 - New loss of taste or smell
 - Unexplained muscle pain
 - Feeling of unexplained fatigue
- All athletes and spectators should have not been in direct contact with a known case of COVID-19 within the previous 14 days.
- It is recommended that one should not attend if considered high risk or living in close quarters to someone having a high-risk profile.
- If you need to sneeze or cough, please do so into a tissue or upper sleeve (not hands).
- All athletes should bring their own water bottles. There should be no sharing of water bottles, team water coolers, or team snacks.
- All players should wipe down and disinfect all equipment before arriving at the facility.
- Teams must only enter the facility at their allotted time. Games will be scheduled to accommodate for social distancing between teams as well as field/court sanitation.
- Spectators are encouraged to bring their own chairs for sitting during games or may stand and should always keep 6 feet distance between each other except family members living in the same household. If using bleachers, fans are encouraged to distance.
- Lines around restrooms, concession stands or otherwise throughout the event are discouraged, but if necessary, please always maintain 6 feet.
- Tailgating and other similar gatherings are discouraged. Fans, coaches, and players are encouraged to leave the facility (parking lot included) immediately upon completion of the game. Fans should not enter the facility before scheduled game time.
- Personal protective equipment is not required but is encouraged.

All Sports Following Play:

- Teams should leave the facility immediately following the game. We ask that parents waiting for the upcoming game wait in the hallway until the previous one has ended.
- All athletes should wash hands with soap or use hand sanitizer immediately following each game.
- No extra-curricular or social activity should take place. No congregating in the parking lot after the game.
- **Participants are not required to wear a mask during play** or on sideline but will be required to practice social distancing on the sideline even when huddling as a team.
