

Highway 23 Closures Public Survey

Highway 23 at Blackwater is regularly over-topped by high-waters, closing the route for all users for a period of time. Pioneer Trails Regional Planning Commission has retained Great River Engineering to conduct a study to evaluate potential solutions and understand the impacts on the community. The rough draft of the study can be found by following this link, <https://gre.egnyte.com/dl/yx8HloRiSc>

We would appreciate your feedback by completing this short survey and mailing back to 2826 S. Ingram Mill Road, Springfield, MO 65804 or scan the QR Code to take this survey virtually.
