FOR IMMEDIATE RELEASE
September 24, 2021

Brush Only for Fall Citywide Clean-Up

Warrensburg, MO – This year’s fall citywide clean-up will look a little different than in the past. The usual bulky/heavy household item pickup will be postponed until the spring, when it will be rebid through the City’s formal process. However, brush collection service *will* be provided this fall to all residents within the city limits, including apartment complexes and mobile home parks. The service will be provided the week of October 4 for residents east of Maguire Street and the week of October 11 for residents west of Maguire. Service is contingent upon the following of the instructions below.

Brush must not be placed in the street. All limbs and brush must be placed in an orderly fashion with all cut ends (6” diameter maximum) facing the roadside. The size of the pile may not be larger than (4) feet high by (15) feet wide and is limited to one pile per property.

Collection is limited to brush and tree cuttings. Commercial cuttings will not be accepted, that is the contractor’s responsibility. All vines, thorny plants such as hawthorns, rose bushes, and small brush must be tied and bundled. Bundle shall not exceed twelve (12) inches in diameter. Shrubbery and ornamentals with root balls attached cannot be accepted. Small twigs must be placed in an open topped cardboard box, do not use plastic bags. Yard waste, garden waste, leaves, and grass clippings will not be picked up.

This is a free service provided by the City of Warrensburg and the City reserves the right to refuse any items for clean-up that do not meet the criteria of the program. Questions/comments should be directed to the Public Works Department, Jason at (660) 262-4662 or by email at jason.mccarty@warrensburg-mo.com.
